City of Dawson Report to Council

Agenda Item	Tax Lien Summary: TL1
Prepared By	Yun Ke Ni, Chief Financial Officer
Meeting Date	January 21, 2025
References (Bylaws, Policy, Leg.)	Per S.83(1) of the Yukon Territory Assessment and Taxation Act
Attachments	List of Properties Subject to Tax Lien

х	Council Decision
	Council Direction
	<b>Council Information</b>
	Closed Meeting

#### Recommendation

That Council authenticate the attached list of properties subject to the lien process by affixing the seal of the City of Dawson as per S.83(5) of the Yukon Territory Assessment and Taxation Act (ATA)

#### **Executive Summary**

The list of Properties in arrears are identified to council - once authenticated by council the list is published publicly in local media and if still in arears 60 days after publishing the properties may be seized and sold by the municipality to recover outstanding property taxes.

#### Background

Under S. 83(1) of the ATA, the CFO is required to submit a list of properties with tax arrears to Council for authentication. This is the first step in the process to initiate tax liens to recover unpaid taxes. Currently taxes are outstanding on fourteen (14) properties, totalling \$79,043.54. Appropriate notification has been mailed to the addresses of record.

#### **Discussion / Analysis**

The authentication of the list of properties is the first step in the collection of outstanding taxes. Next steps: Publication of the list in a local newspaper and at the City Office and Post Office. Sixty days after publication, liens may be filed. As a result of a lien placed on a property, the property may be seized by the City if the taxes are not paid.

#### **Fiscal Impact**

Potential reduction of Tax Receivable and collection of outstanding taxes.

#### **Alternatives Considered**

None.

#### **Next Steps**

Following authentication, the Finance Department will start the Lien process for Properties Subject to Tax Lien

Self nomination letter from Ludovic Antoine:

Dear Members of the City Council,

I am writing to express my interest in joining Dawson City's Heritage Advisory Committee. Having lived in Dawson for the past 14 years, I've developed an understanding and interest for the town's diverse heritage. From the deep cultural roots of the Tr'ondek Hwech'in to the gold rush history, I've come to appreciate its unique heritage and its cultural significance within the Yukon and beyond.

As a Red Seal carpenter, I bring a practical understanding of heritage preservation through hands-on experience. I have previously worked with Parks Canada on heritage restoration projects and now serve as a Yukon Parks employee. These roles have deepened my understanding of the importance of preserving historical assets while balancing the needs of a modern, evolving community.

With a genuine interest in local history and a solid understanding of community needs, I believe I can be a valuable asset to the committee. I would be happy to serve on the Heritage Advisory Committee and help ensure that Dawson City's heritage continues to be shared for generations to come.

Thank you for considering my application.

Sincerely,

Ludovic Antoine

#### **Fiscal Impact**

Voting members of the Heritage Advisory Committee will be compensated with a monthly honorarium of \$200.

Subdivision Application #23-103 was approved by Council in November 2023. Approval of subdivision applications, according to the *Municipal Act* S.319(2), are valid for 12 months and may be subject to renewal for one more period of 12 months at the discretion of the approving authority. The contracted surveyor requested an extension of approval on behalf of the applicant (TH) in November 2024.

#### **Discussion / Analysis**

#### **Subdivision Bylaw**

Subdivision Control Bylaw s.3.01 states that every subdivision of land must be made in accordance with the *Municipal Act*, the *Official Community Plan*, the *Zoning Bylaw*, and the *Subdivision Control Bylaw*. The following sections are intended to discuss the proposal's conformity with the provisions outlined in the relevant legislation, policies, and plans.

#### **Municipal Act**

The *Municipal Act* s.314 details the requirements for any proposed plan of subdivision to have direct access to the highway to the satisfaction of the approving authority. Access to these lots exists on Front Street, Duke Street, and the laneway. The rear laneway is proposed to be realigned to avoid encroachment on to these lots. TH and City staff are collaborating to find a way forward.

#### **Official Community Plan**

The properties are currently designated as DC – Downtown Core: the area that best depicts the commercial core of Dawson during the gold rush. This location is recognized as the heart of Dawson City since it accommodates a broad range of uses focusing on the commercial, cultural, and community needs of residents and visitors. The consolidated lot would retain the same designation and any new use or development on the proposed lot would be required to conform to the OCP designation, or else apply for an OCP Amendment.

#### **Zoning Bylaw**

Lots 7, 8, 9 & 10 are zoned P2: Institutional. The proposed development is compliant with the Zoning Bylaw. Currently, these parcels accommodate a number of structures, including the boiler building and the Han Fishery buildings. Regarding these structures, two applications have already been approved by the City. These applications proposed to demolish the Han Fishery buildings, and to relocate the boiler to Lot 6.

#### **Discussion / Analysis**

The attached draft Road Closure Policy highlights sections that have been updated based on Council feedback.

#### **Fiscal Impact**

NA

#### **Alternatives Considered**

That Council direct administration to change the Road Closure Policy to a bylaw.

• This was not recommended by staff as utilization of a policy provides more flexibility in responding to the community's needs. Usage of policies is also generally effective in outlining process for council / staff / community while bylaws are effective for consummating substantive decisions and enforcement.
